Dear Sirs - Andy Tobin, Bob Stump, Tom Forese, Doug Little, Bob Burns:

You gentlemen have been elected to protect the consumer against excessive utility rates.

I live in Surprise. I purchased here shortly before my retirement and chose a community with fairly new utility infrastructure.

I am AGAINST the proposed Epcor Water consolidation as I am sure that such action will adversely affect my budget. I do not wish to pay for the Sun Cities' infrastructure repair and maintenance.

Already Surprise is paying for the Bell Road bridge over Grand Avenue so people think they won't have to wait so long at the train crossing. There will STILL be a traffic light on the bridge!

The Sun Cities' were established to avoid school taxation.

So I vote NO to consolidation forcing me to maintain the utility infrastructure of the Sun Cities.

Thank you.

Jody Johnson
